Final - 2014 - Team Standings

For each game played in Division I, a team will earn 2 points. Every "win" in Division I will earn 3 points. For each game played in the Division II or III, or Co-Ed, a team will earn "1" point. For every "win" in Division II or Division III, or Co-Ed a team will earn "2" points. This includes both pool games and bracket games. There will be teams that will be considered "on the fence" for qualifying for either Division I, II, or III . At times these teams will play in Division I, II, or III depending on the talent level of all the participating teams and will earn points accordingly.
